Make an **olive** out of the letter **O**.

Here is what you need:

green construction paper letter O

scissors

white glue

red construction paper scrap

Here is what you do:

1. Cut a small, round oval from the red construction paper to make the pimento stuffed in the top of a green olive.
2. Glue the red pimento across the top of the letter O.

Make a collage of letter O olives glued
on orange paper.

P

Make a puzzle with the letter P.

Here is what you need:

construction paper letter
P in a light shade

scissors

markers

zip-to-close bag

Here is what you do:

1. Use the markers to decorate the letter P.
2. Cut the letter P into pieces to make a puzzle.
3. Try putting the P puzzle back together.
Store it in the zip-to-close bag.
4. To make it more challenging, make more than one letter P puzzle and mix all the pieces together.

Find some magazine pictures of things that start with the letter P. Glue each picture to cereal box cardboard. When the glue has dried, cut the pictures apart to make P word picture puzzles. Store each puzzle in a zip-to-close bag.

Q

Make a set of **quintuplets** with five letter **Q**s.

Here is what you need:

five pink construction
paper letter Qs

thin ribbon

white glue

scissors

ten wiggly eyes

white tissue paper

sheet of construction paper

Here is what you do:

1. Glue the five letter Qs in a row across a strip of construction paper.
2. Glue two wiggle eyes in the center of each Q.
3. Make five bows from the thin ribbon. Glue a bow across the tail of each Q for the tie on each baby bonnet.
4. Cut five strips of tissue paper. Rub glue around each Q. Gather strips of tissue around each Q to look like the ruffle of a baby bonnet.

Make a **quilt** to hang below the letter Q quintuplets by covering a sheet of construction paper with squares cut from old catalogs and magazines.

R

Make a rocking, rolling, red letter R.

Here is what you need:

red construction paper
letter R

construction paper
in another color

two wiggly eyes

colored hole reinforcement

two large-size oatmeal
boxes with lids

scissors

colored plastic
tape

white glue

marble

ruler

Here is what you do:

1. Cut a 1 $\frac{1}{2}$ -inch (4-cm) rim from the top of one oatmeal box. Snap the lid on the rim. Discard the bottom portion of the box.
2. Remove the lid from the second oatmeal box. Drop the marble in the cut container, then glue on the second lid over the opening.
3. Glue a circle of construction paper onto both sides.
4. Cover the sides of the container with the colored tape.
5. Glue the letter R on one of the lids. Glue on the wiggle eyes and the hole reinforcement to give the letter R a surprised-looking face.
6. Stand the container on edge and give it a push to make the letter R rock and roll.

Make two rocking, rolling letter Rs and have a race with a friend.
