S

Turn the letter **S** into a snake.

Here is what you need:

construction paper
letter S

thin red ribbon

white glue

markers

scissors

two tiny black beads

Here is what you do:

1. Round off all corners on the letter S. Cut a tongue for the snake from the red ribbon. Cut a triangle shape out of one end of the ribbon to make a forked tongue. Glue the flat end of the tongue under the top end of the letter S.
2. Glue the two beads on the letter S above the tongue for the eyes.

Use the markers to draw a design on the body of the snake.

Make a small paper accordion-style booklet by folding a strip of adding machine tape or construction paper back and forth as if you were making a fan. Glue a magazine picture of something that starts with **S** on each page of the book. Punch a hole in the outer corner of each page. Wiggle a pipe cleaner **snake** through the pages of the book, naming each **S** word as the **snake** wiggles by it.

T

Turn the letter **T** into a **tree**.

Here is what you need:

brown construction
paper letter T

two or more shades
of green tissue paper

small cardboard
tube

ruler

white glue

brown construction
paper

scissors

Here is what you do:

1. Cover the tube with brown construction paper.
2. Glue the letter T to the side of the tube to look like the trunk and branches of a tree.
3. Rub glue around the top inside of the tube.
4. Cut three 8-inch (20-cm) squares of tissue paper. Stack them at different angles and tuck the center of the tissue stack into the top of the tube to form the top of the tree.
5. Use the scissors to “prune” the treetop.

Make a forest of **ten** letter **T** trees. Glue a magazine picture of a **T** word to the **trunk** of each **tree**. Set up the **trees** like **tenpins** (bowling pins). Try to knock them down with a foam or rubber ball. Name all the **T** words you knock down.

Make a **unicorn** from the letter **U**.

Here is what you need:

two wiggle eyes

scissors

hole punch

white glue

gold glitter

blue construction
paper letter U

paper clip

piece of sticky-back magnet

yellow yarn bits

yellow, blue, and black
construction paper scraps

Here is what you do:

1. Pull the two ends of the letter U together and glue them. Use a paper clip to hold the two ends in place while the glue dries. This will be the head of the unicorn.
2. Cut two ears for the unicorn from blue paper. Glue an ear sticking out from each side of the top of the head.
3. Cut a horn for the unicorn from yellow paper. Cover the horn with glue and sprinkle it with gold glitter. Glue the horn to the top of the head between the two ears.
4. Glue the yellow yarn bits over the base of the horn to make the forelock of the unicorn.
5. Glue the two wiggle eyes on the two sides of the letter U below the forelock.
6. Punch out two dots from the black paper for nostrils. Glue the nostrils on the bottom part of the letter U.
7. Attach a piece of sticky-back magnet to the back of the unicorn head.

Find magazine pictures of things that start with the letter U for the letter U unicorn to hold on the refrigerator.

V

Turn the letter **V** into a **vase** of pretty flowers.

Here is what you need:

construction paper letter V

scissors

markers

white glue

ruler

ribbon or yarn

sheets of construction paper in two different colors

Here is what you do:

1. Trim about 1 inch (2.5 cm) off each end of the four sides of one of the sheets of paper. Glue the letter V to the bottom part of the paper to look like a vase.
2. Use the markers to draw a vase full of flowers.
3. Cut a 12-inch (30-cm)-long piece of ribbon or yarn.
4. Glue the paper to the other, larger sheet of paper to make a frame, first slipping the two ends of the yarn between the two sheets of paper at the top to make a hanger.

Make another letter **V** vase picture, but instead of drawing flowers at the ends of the stems glue on magazine pictures of things that start with the letter **V**.
